## JUNE IS RECREATION & PARKS MONTH

**In Alberta**, we are fortunate to have a variety of recreation and parks systems providing countless recreational opportunities for all residents and visitors from around the world.

**Recreation and parks enhance** quality of life, active living, leisure education, and lifelong learning, helps people live happier and longer, develops skills and positive self-image in children and youth, develops creativity and builds healthy bodies and positive lifestyles, and enhances overall mental health and wellbeing.

**Recreation and parks build** family unity and social capital, strengthens volunteer and community development, enhances social interaction, creates community pride and vitality, promotes equity, inclusivity, sensitivity and understanding to cultural diversity, and fosters a sense of belonging.

**Recreation and parks can be used** for therapy and rehabilitation of individuals experiencing illness, impairment, and disability.

**The benefits provided by recreation and parks** programs and services reduce healthcare and social service costs, serve to boost the economy, economic renewal and sustainability, enhance property values, decrease vandalism, attract new business, increase tourism and curb employee absenteeism.

**Our parks, open spaces and trails** ensure ecological sustainability, provide space to enjoy nature, help maintain clean air and water, and preserve plant and animal wildlife.

**We call on all levels of government, the voluntary sector and private enterprise** throughout the Province of Alberta to participate in the planning, development and operation of recreation and parks programs, services and facilities.

**The Alberta Recreation and Parks Association (ARPA) acknowledges and celebrates the month of June as June is Recreation & Parks Month**, which will annually recognize and celebrate the benefits derived year round from quality recreation and parks resources at the local, regional and provincial levels.

**We, at** \_\_\_\_\_ (name of municipality/organization), recognize the benefits and values that recreation, parks and leisure services provide and designate the month of June as June is Recreation & Parks Month.
