

Reconciliation Activity Map

Throughout the month of September, we invite you to participate in weekly educational opportunities and events as we look to honour and celebrate the significance of September 30th, known as National Day for Truth & Reconciliation and Orange Shirt Day. Together we will learn about and celebrate the importance of Indigenous peoples, culture and practices. Reconciliation has a role to play in the recreation and parks sector and it is important for us to do the work not just during the month of September, but throughout the year. This reconciliation map includes a snapshot of what to expect this month so you can follow along and expand your own reconciliation journey. Print it out, bookmark it, or share it with your networks!
