

2026 ARPA Annual General Meeting
Saturday, October 24, 2026
2:15 – 3:30 PM
Fairmont Jasper Park Lodge

The Alberta Recreation and Parks Association (ARPA) invites all members to attend the 2026 Annual General Meeting, being held in conjunction with our annual Conference & Energize Workshop to be held at the Fairmont Jasper Park Lodge.

The ARPA Board of Directors will be bringing a special resolution forward with proposed bylaw changes to modernize ARPA's governance moving forward. The special resolution outlining the bylaw changes will be circulated to members no later than Friday, October 2nd. Please click [here](#) to visit our Annual General Meeting webpage to view some FAQs that provide some additional information on some of the proposed governance changes.

As part of the proposed changes to our bylaws and Board structure, members will be asked to consider a one-year extension to the terms of [current Board members](#). This proposed extension would provide continuity and stability as the organization transitions to the new Board structure, should the proposed changes be approved.

The ARPA AGM also provides members with the opportunity to submit a resolution to the Association for follow-up on a specific issue. Please see the [Resolutions Package](#) for more details on the process and timelines for submitting a resolution.

If you have any questions in regards to the AGM or Resolutions processes please contact Steve Allan, ARPA Executive Director at (780) 415-1745 ext. 102 or sallan@arpaonline.ca
